

**Errata Sheet:
Financial Access for U.S. Nonprofits**

March 2017

Please note the following corrections to the report:

- Chapter 4, Page 42, Table 5: the heading of the table should read “Table 5: Prevalence of Program Areas by NPOs Reporting Problems”
- Chapter 4, Page 48, last paragraph: the third sentence of that paragraph should read “Among NPOs doing humanitarian aid work, three quarters have problems accessing financial services.”
